Charity Week for Orphans and Needy Children is a volunteer-led campaign of Islamic Relief.

The ultimate vision of Charity Week is to become a vehicle to inspire Muslim youth to become active, socially engaged and united upon Islam.

THE GOOD WE BUILD BUILDS US

Assalaamu alaikum wa rahmatullahi
wa barakatuhu...

... and welcome to our Annual Report for 2017. It was always going to be difficult this year to consolidate the huge achievements of 2016 and achieve the same buzz. At the same time we were faced with trying to make this **entirely volunteer-led project** into an example of sustainable growth. The whole Islamic Relief family has provided significant guidance and support in helping us take steps in the right direction.

This year Charity Week took place in six countries; UK, Canada, Germany, Qatar, USA and Australia. It's been a truly inspiring journey to **bring teams from across the world** - bridging language barriers and cultural differences - and discover that what unites us is stronger than what divides us. It is this slow but rewarding process that gave us our inspiration to choose **Building Better Together** as our theme this year.

We are proud of what we are building here at Charity Week and we want the foundations to be strong. We want each volunteer to be a brick in our structure - to be supported and to support those who come after them. And from this to rise a structure that not only supports itself but can **support children across the world who need our help.**

With special thanks to the unknown bucketeer, hard-working event planner, the person who gave up time with friends and family to make this project work. You are all heroes - the foundation stones that hold this building up.

BUILDING THE TEAMS

It is difficult to recruit, maintain and motivate a team spread across the world. Training has been and remains an area that requires more dedication and improvement in Charity Week. We hope to continue and diversify broadcasting our training programme to achieve better results in the coming year.

“ASSEMBLE 1”

Delivered by the International Team, the aim of Assemble 1 is to bring together the National and Regional teams of each country and have them motivated through inspiring talks, workshops and meeting each other. “Knolling” is now a word well known to many Charity Week team members and the connection between Lego, the battle of Uhud and Charity Week is an important lesson.

“ASSEMBLE 2”

Assemble 2 is aimed at the institutions and cities taking part in Charity Week. This is delivered by the National and Regional Teams. It was amazing to see the same talks delivered at Assemble 1 being delivered at Assemble 2, but by different people. This is the beauty of Charity Week - one idea, many voices. We hope the institutions left feeling inspired, motivated and educated.

RESOURCE DISTRIBUTION

This year we rolled out a new system by which institutions were categorised according to size in order to streamline resource orders. We are constantly working to reduce excess.

Figures reflect new resources purchased to deliver Charity Week 2017 and do not include existing resources that were successfully returned for re-use from the previous year.

*USA purchased buckets locally, Qatar, Germany, Canada and Australia had buckets delivered from the UK as these countries do not sell charity buckets.

**Paper pennyboxes were only offered in the UK.

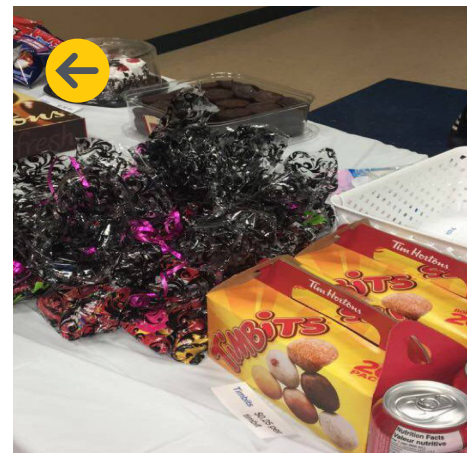

Australia

Weeks before Charity Week was due to start, one of the universities taking part pulled out. For a moment, everything was up in the air. Finally, a brother and sister stepped up. Even if it was just them, they would make sure Charity Week happened. Their conviction gave others strength and the show went on. As long as even one person believes in the vision, there is always hope.

SHORT STORIES FROM CHARITY WEEK ACROSS THE GLOBE

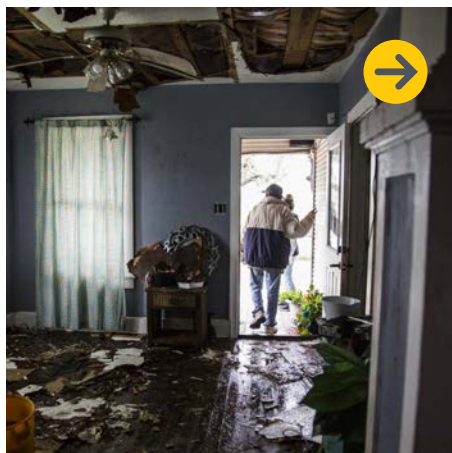

Canada

A large Islamic High School announced just weeks before Charity Week that they would no longer be able to offer places to their high school students. This was very distressing and these students were scrambling for alternative schools. A new Islamic school - Gibraltar Leadership Academy - was set up by teachers from the previous school and within weeks of starting it, they signed up and took part in Charity Week too!

UK

A man from France was seconded to London for work. Bored and alone, he searched for any Islamic event happening at that time in London on Facebook. Spotting the London Annual Dinner he decided to turn up in person. After seeing the Annual Dinner, he was now considering *moving* his family to London because he wanted his children to grow up in this atmosphere.

USA

Just weeks before Charity Week, Texas was hit by a devastating hurricane that meant that some team members had their houses flooded and were literally homeless. Did that stop them having team meetings or organising? No. If anything, they said they were more dedicated knowing that they would eventually be fine, but the orphans and needy children would not be without their help.

Qatar

In some institutions, it is hard to get the students involved. In Qatar, they went one step further and got the faculty involved. Professors and lecturers planted trees, cut cakes and took part in events. It was *dawah*, appreciation and charity all mixed into one!

Germany

A sister from Germany who was organising a regional event was approached by a stranger. She soon learnt he was her own uncle. He happened to be in the same town on that day and came to this event not realising that it would reunite him with the niece he had never met.

Unity on a community level leads to unity at a family level - and vice versa.

EXPENDITURE

Every single penny that we get to run the project is money that belongs to the orphans and needy children. This budget is an amanah for us. It is our responsibility to ensure that this investment is a wise one that we return back many times over.

WHERE THE MONEY GOES

The process that we go through to fund projects is unique. The aim is to find the perfect balance between emergency projects and long-term. We also seek to set a balance between projects that are in the news and those that are equally deserving, but never make the headlines.

The result is a variety of projects with some focusing on healthcare, others on education and still others on providing food and water. The only way to achieve this ideal range of projects is through working together. We do not have to choose between one and another; we can help them all.

By uniting together, Charity Week has helped provide one-to-one orphan sponsorship across the world.

This year, funds raised have provided food, clothing, education and healthcare for 66 Syrian orphans in Jordan, 69 Palestinian orphans in the West Bank and Gaza and 44 Pakistani orphans.

*A £22,739 efficiency saving from CW/2016 Syria paediatric clinic projects was reallocated to one-to-one sponsorship for Palestine & Pakistan.

EMERGENCY PROJECTS

17

MYANMAR

Emergency Response Project, Sittwe Township in Rakhine State Inside Myanmar

€227,810 EUR
QR1,019,194 QAR | \$279,998 USD |
\$365,089 AUD

The persecution of the Rohingya has been an ongoing and devastating man-made disaster. This unique project was provided as an emergency response but with a long-term view. Approximately 9,300 internally displaced refugees were provided with six months supply of food, income for households in extreme poverty and the construction of shelters where housing was inadequate.

YEMEN

Emergency Nutrition Response for Acutely Malnourished Children, Amran Governate

€227,810 EUR
QR1,019,194 QAR | \$279,998 USD |
\$365,089 AUD

The protracted war in Yemen has had a terrible impact on a whole generation of children. Approximately 4,120 malnourished children and 3,473 pregnant or breastfeeding mothers have been provided with emergency treatment and medicines through this project. The money provided medical equipment, clinic staff wages as well as training to help workers effectively identify malnourishment in the population.

SOMALIA

Access to Maternal, Neonatal & Primary Healthcare, Balcad & Bondhere Districts, Mogadishu

£105,366 GBP | \$188,330 CAD | €120,047 EUR
QR536,959 QAR | \$147,516 USD | \$192,352 AUD

We often take for granted the huge amount of medical care required during birth and infancy. This project has provided medicines, equipment, funds medical staff and transfers - where needed - to specialist centres. With special attention given to local circumstances, solar panels were installed in clinics to safeguard against power cuts. Together with health education programmes in the community, funds raised from Charity Week have benefitted thousands of children.

HEALTH

GAZA

Early Detection & Prevention of Hearing & Speech Difficulties Among Pre-Schoolers in Gaza

£280,000 GBP | \$500,464 CAD | €319,013 EUR
QR1,426,953 QAR | \$392,020 USD | \$511,182 AUD

It should never be the case that an easily treatable disability should prevent a child from living as normal a life as possible. In war-torn Gaza, 20,000 children have been screened for hearing and speech difficulties as a part of this project. As a result, 100 hearing aids were fitted and 1,200 speech and hearing treatments were prescribed. To help empower the community, 3,500 parents and carers were educated on identifying and managing hearing and speech problems.

TURKEY-SYRIA BORDER

Providing Equipment & Medicine to Al-Amal Hospital

£3,274 GBP | \$5,853 CAD | €3,731 EUR
QR 16,688 QAR | \$4,584 USD | \$5,978 AUD

The Al-Amal hospital is the main hospital on the border between Turkey and Syria. The most seriously injured civilians are evacuated here from inside Syria. Funds from Charity Week have provided medicines and medical equipment to this vital institution.

EDUCATION

Primary School Education Through the EAA Educate a Child Programmed in Somalia

£31,423 GBP | \$56,182 CAD | €35,809 EUR
QR 160,153 QAR | \$43,998 USD | \$57,374 AUD

Too often if a child in Somalia comes from a family that is too poor to pay for education, they are destined for child labour or worse. Funds from Charity Week have provided 300 school children with a free primary school education to last a year, allowing their families some hope where incomes are crippling low.

School Enhancement and Rehabilitation at Malemia Primary School Project

€170,915 EUR
QR764,455 QAR | \$210,015 USD |
\$273,859 AUD

Happy, healthy children learn faster and better and this is why this project was launched to completely transform a community in the third poorest country on Earth. A school teaching 1,003 children was entirely refurbished, providing 11 classrooms, new teaching materials, new toilet facilities, wash facilities and a provision of a daily meal allowance. In addition, solar panels were installed to ensure a reliable supply of electricity.

SYRIA

Orphanage Support Inside Syria

£20,679 GBP | \$36,967 CAD | €23,557 EUR
QR105,379 QAR | \$28,950 USD | \$37,748 AUD

This intervention has ensured a continuous functioning of an orphanage located in Ihtimat village, Azaz Northern Aleppo. Here, 476 orphaned children reside after having lost their parents. Funds have provided 570 food parcels, 570 hygiene kits, 70 beds and mattresses, more than 200 blankets and basic furniture that was lacking. Many of these children have been through devastating tragedy and their orphanage is the only home they have now.

EUROPE

Support for Escaped Trafficked Children

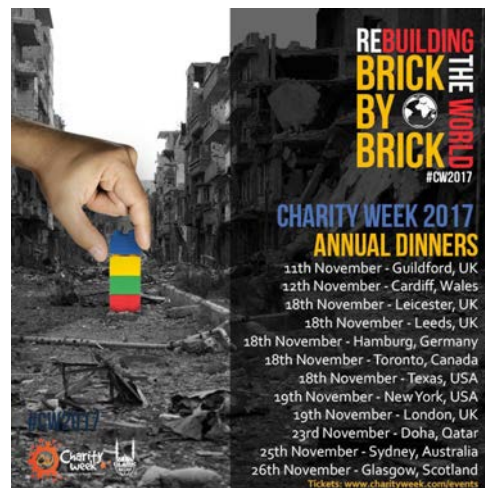

£77,565 GBP | \$138,637 CAD |
€99,398 EUR
QR395,259 QAR | \$109,577 USD |
\$141,671 AUD

A sad reality of the world we live in is the exploitation of children when they are alone and vulnerable. This unique project provided specialist advice for such children who have managed to escape from traffickers. The project ensured that 81 youth all had suitable and appropriate accommodation. Separate counselling for girls and boys was provided to help them overcome traumas of the past.

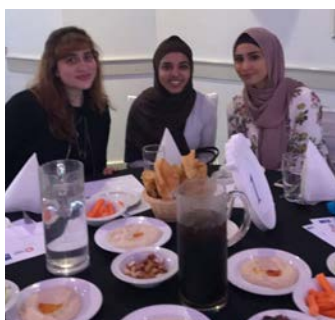

ANNUAL DINNERS

Even though we plan Charity Week together, organise events together and spend the money together, we still get amazed at how cool it is for Charity Week teams to physically come together at the Annual Dinners. They are a chance to celebrate, reflect on our intentions and to renew them for the next year.

THE INTERNATIONAL ANNUAL DINNER

GLASGOW

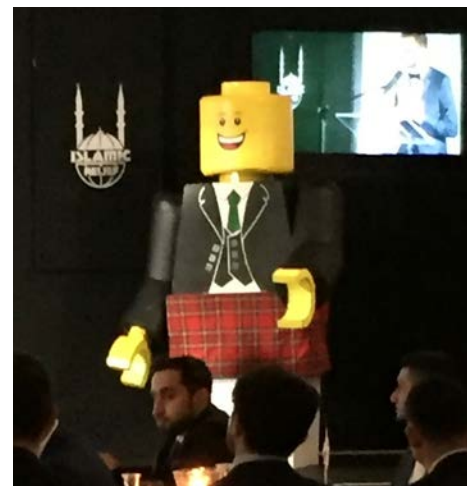

This year the International Annual Dinner was in Glasgow, Scotland. The legendary hospitality of the Scots did not disappoint. Everything from Irn-Bru in glass bottles to Scottish shortbread was on hand to make us think twice about ever leaving.

We were joined by guests from the US, Canada, Germany - and of course the surprise announcement of the South Africans. As one attendee put it, "I've never seen anything like this before." Well, not for another year at least inshaAllah!

THE GREAT CHARITY WEEK BAKE OFF

Cakes and Charity Week go hand-in-hand each year - more recently they have been going head-to-head. The winner and runners-up for the Great Charity Week Bake Off were announced after much anticipation at the International Annual Dinner.

CONCLUSION

We hope that you take away from this Annual Report something that is more than just the big numbers, the interesting stories or statistics; it is a commitment that it is time to rebuild our ummah, brick by brick.

Abu Musa (Radhi-Allahu 'anhu) reported Allah's Messenger (peace and blessings be upon him) as saying:

A believer is like a brick for another believer, the one supporting the other.

Sahih Muslim - Book 32: Hadith 625
